GENERAL MODEL RELEASE

For good and valuable consideration, mutually agreed upon, I grant to J&L Productions (the Publisher), its subsidiaries, affiliates, employees, and agents, the right to reproduce, publish and distribute images of me made by or for, or sold or transferred to the Publisher. I understand that images covered under this agreement may be published in any publication, including, but not limited to, gay and sexually explicit magazines, books, videos, calendars and other media, and that they may be altered or enhanced, and commented on editorially in any way, including the possible renaming of the character I portray or attribution of quotes.

I warrant that I am over 18 years of age, and that I am performing, of my own free will, the acts and/or poses recorded or photographed. I also assure the Publisher that I am not employed by any agency of government, at any level, and that I will not act as an informant or appear as a witness in any action taken against the Publisher whether in connection with images/recordings of myself, or any other matter(s). I understand and believe that signing this document, then falsifying the above statements by any form of contradictory action, would constitute police entrapment.

I affirm that I have read the foregoing, had the opportunity to ask questions and fully understand the meaning of this model release, and that all the above statements are true and honest, made of my own free will, with no intention to deceive or defraud, on this date: _____ day of _____, 20____.

Cross-reference a set of this paperwork—including model release—for any and all aliases; one set for each alias. Using an "alias" includes appearing under a nickname, or shortened/altered-version of model's real name. If model has used no previous aliases AND is appearing in a 100% BEEF title under model's real first and last name, only one set of paperwork is necessary. An enlarged legible photocopy of the model's ID and Social Security card (front and back) MUST be attached to all model releases.
