

From the editor...

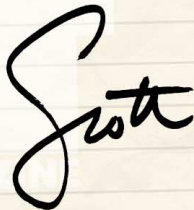

Dear Potential Contributor,
Welcome to **100% BEEF**. Thank you for your interest in being a part of this exciting magazine!

The success **100% BEEF** has enjoyed, from our 2002 launch through today, is directly attributable to the quality of editorial content we've published —and continue to receive— from writers, illustrators, photographers and models worldwide. We truly value these contributions and appreciate the talent, insight, and energy behind them. We encourage you, as a potential contributor, to review the enclosed guidelines, and then let us know what you have to offer, and how you'd like to contribute to the continued success of **100% BEEF** Magazine.

100% BEEF buys first North American serial rights to dozens of pieces of fiction and nonfiction, illustrations, and freelance photo shoots each year.

Again, thank you for your interest in contributing to **100% BEEF**. We look forward to working with you!

Sincerely,

WHAT IS 100% BEEF?

Launched in May, 2002, **100% BEEF** quickly and successfully filled the growing gap for a dirty men's magazine that celebrates masculinity, worships hairy, physical bulk, and admires maturity. We're now the hottest, fastest growing, most exciting Adult Masculine Men's Magazine on the planet. **100% BEEF**'s editorial direction embraces a regular-guy, no-frills, blue-collar aesthetic through photography, fiction, art and community support.

WHAT MAKES 100% BEEF UNIQUE?

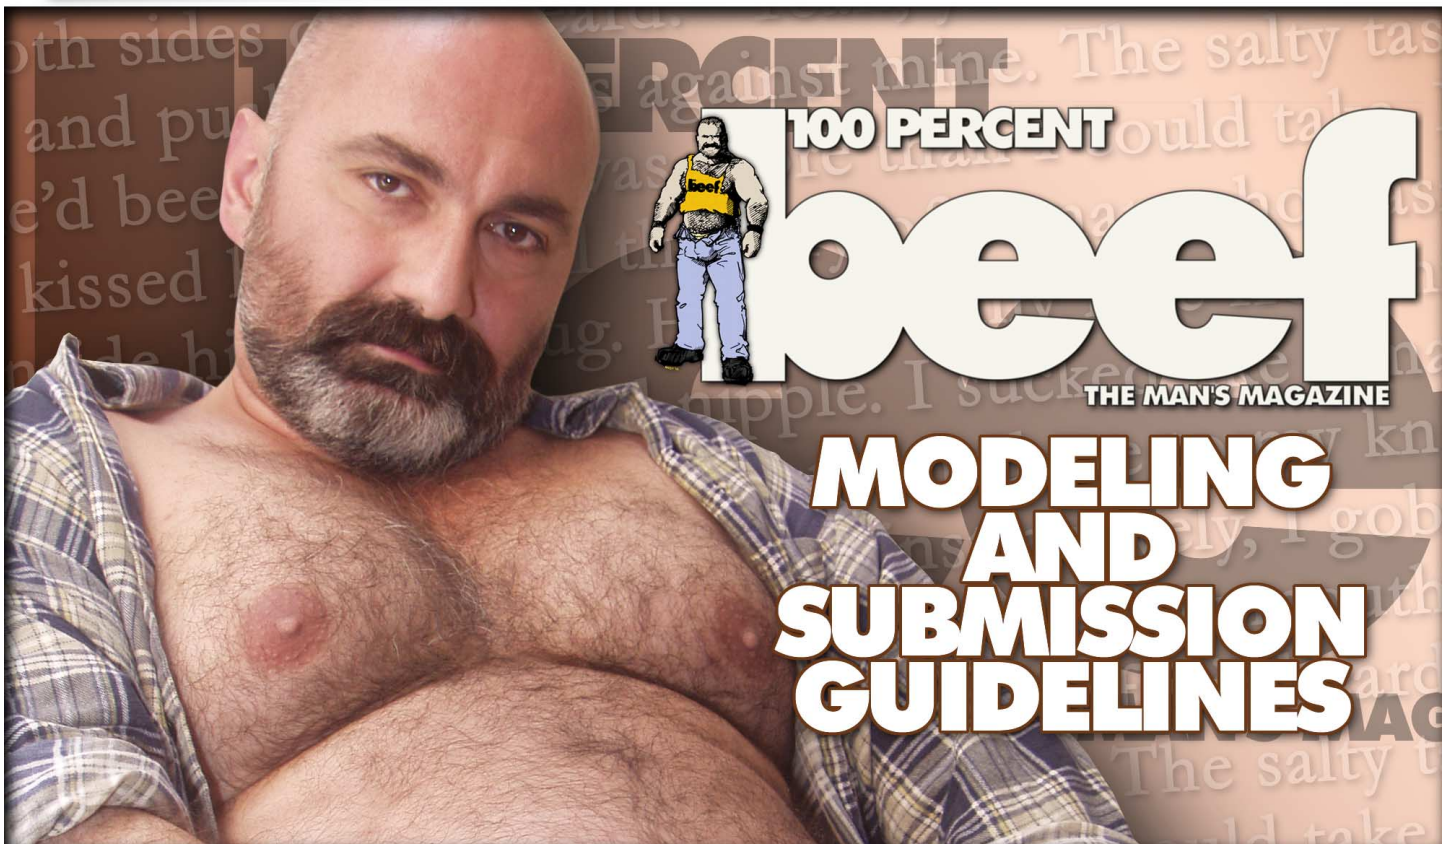

The only label our reader wears is the one he applies himself. As for those of us who create **100% BEEF**; we're just regular dirty-minded fellas with an appetite for hairy, sexy, no-bullsh*t, masculine men.

IS 100% BEEF A "BEAR" MAGAZINE?

Call it what you will; **100% BEEF** is adult men's magazine by, for, and about regular, masculine gay men. The men in **100% BEEF** are solid, husky, and usually hairy. Beards and mustaches fit in well here, too. More than anything else, though, **100% BEEF** is about masculine men enjoying themselves and each other... **label free!**

THE BOTTOM LINE HERE...

Featuring contributions from the best, most exciting artists, writers, and photographers in adult mansmut, **100% BEEF** —a bimonthly publication with an \$8.95 cover price— has established itself as the print leader in adult gay masculine erotica!

SUBMITTING TO 100% BEEF

100% BEEF relies heavily on the contributions of our readers for content. Therefore, all manuscripts, drawings, photographs, etc. sent to **100% BEEF** may be considered for publication. **100% BEEF** assumes no responsibility for unsolicited submissions. **Please note:** Items submitted for consideration WILL NOT BE RETURNED. **Please do not send us original illustrations or manuscripts for consideration.** If submissions are chosen for publication, contributors will be notified regarding publication dates, compensation and contributor copies. **100% BEEF** must be informed if a submission has been previously published or is currently under consideration by another publisher. Simultaneous submissions are not accepted.

MODELING...

100% BEEF staff members generally scout models, but we're always happy when fellas present themselves to us! We're called **100% BEEF**... but we appreciate a sexy pig as much as the next guy! So, if you're interested in showing us your stuff, please print your contact information on the back of each photo, in addition to signing and printing a statement on the back of each photo declaring that you are over 21 years of age. Photos received without this information will be (drooled over and then) disposed of without consideration.

MANUSCRIPTS...

Submit unsolicited fiction to **100% BEEF** on a PC or MAC diskette in a format readable by Microsoft Word '98. Include a hard copy of your manuscript. Submissions are also accepted by email. Make sure your name, pen name, address, telephone number, email address (if applicable), Social Security Number (for US citizens or resident aliens), and word count are clearly marked on the manuscript. Nonfiction features are considered for publication by prior arrangements with **100% BEEF**'s editorial staff. Please note that all manuscripts are subject to editing as needed, without notification.

PHOTOGRAPHY...

100% BEEF is always on the hunt for hot new photographic talent! Send us a sample of your work in the form of contact sheets, tear sheets of published images, or snapshots of models available to you. JPEG images may be emailed to info@beefmag.com. Further arrangements will then be made. Make sure your name, pen name, address, telephone number, email address (if applicable), Social Security Number (for US citizens or resident aliens) and contact information is on every sample submitted.

ILLUSTRATION...

100% BEEF is always hunting for new artistic talent; so sending clips/samples of your work can definitely attract our attention! Samples sent for consideration cannot be returned, so do not send unassigned original art. JPEG images of sample art may be emailed for review. We frequently present "**100% BEEF** Gallery" features in the magazine, focusing on the work of an individual, featured artist. For more information on how you can become a featured artist, email us at the address below, and include a sample .jpg or two of your work.
